

Name:

**Casting Call**

**The Situation Room Experience: California Wildfires**

For casting purposes, the stars relate to the following actions and skills that players will be challenged to perform. A star rating from 5 stars (heavy action/skills) to 1-star (light action/skills) is utilized.

Group Decision-Making	The level of decision-making required by the player. Higher stars indicate the level of group decisions they will perform.
Public Speaking	The amount of public speaking required by the role (present at town halls and press conference events).
Writing	The amount of writing required in the form of news articles and social media posts.

Other Casting Notes
<p>Assign one of your most conscientious students to lead each of the network teams (ex. LA Herald News Editor). Assign your most social/confident student to the role of <u>Malibu Mayor</u>.</p> <p><b>The roles with the highest public speaking ratings require students to be self-starters who will interject themselves into the decision making process.</b></p> <p><b>The roles with the highest group decision-making ratings do not necessarily require your best or most social students.</b></p>

**This role assignment sheet must be completed in the order they are listed on the page (descending order).** Sporadic assignments are not allowed. \*For character abbreviation references, please see the bottom of the document.\*
