WELCOME TO LIVES IN BALANCE

The **Southwest States Coalition** has agreed to meet in response to the pandemic. The Coalition will work together to review each state's plan to move ahead with the "reopening" of their state.

Governors from Arizona, New Mexico, California, and Nevada will be joined by the Deputy Secretary of Commerce and the Principal Deputy Director of the Centers for Disease Control and Prevention to ensure the most up-to-date financial and healthcare information is presented at the meeting.

Both Nevada and Arizona governors will be presenting their plans to move forward into Phase II of "reopening" the economies of their respective states. Today's agenda: Vote to approve or deny "the Bubble Plan."

In **Arizona**, Major League Baseball (MLB) will start its season under their proposed Bubble Plan:

- Players, teams, and personnel will be housed in socially distanced hotel rooms.
- All team and stadium personnel will have temperature checks each day.
- All team and stadium personnel will have weekly virus testing.
- Food will come only from the restaurant(s) at the hotels, with rapid testing of workers.
- Teams will be allowed to congregate only in the hotel restaurant and lobby.
- Private shuttles will transport teams to and from the hotel and stadium.
- Shuttles will be cleaned each day before taking the teams to the stadium.
- There will be **no fans**.

In **Nevada**, the National Football League (NFL) will start its season under their proposed Bubble Plan:

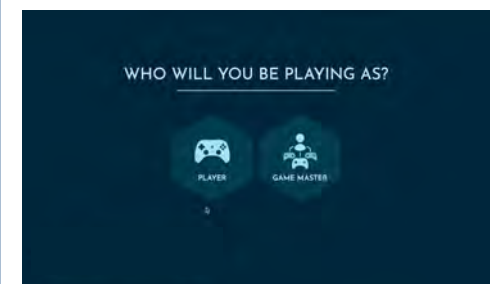

- Players, teams, and personnel will be housed in socially distanced hotel rooms.
- Isolated hotels: One team per hotel.
- All team and stadium personnel will have weekly virus testing.
- All team and stadium personnel will have temperature checks twice a day.
- Players/staff will be allowed to congregate in private meeting rooms only.
- Private shuttles will be provided to transport teams to and from the hotel and stadium.
- CDC-approved helmets will be provided that feature an improved visor and a certified air filtration system.
- There will be **no fans**.

What is more important, putting people back to work or the health of the residents? Where does the federal government stand and is it helping or hurting the states? You decide!

BEFORE PLAYING THE SIMULATION,
PLEASE WATCH THE VIDEOS
LINKED BELOW.

LIVES IN BALANCE TRAILER

ITHRIVE SIM WALKTHROUGH

ROLE DESCRIPTION

NEVADA

CAPITAL: CARSON CITY
POPULATION: 3.08 MILLION

You are the Governor of Nevada. You serve as the chief magistrate of the U.S. state of Nevada, the head of the executive department of Nevada's state government and the commander-in-chief of the state's military forces. You have a duty to enforce state laws, and the power to either approve or veto bills passed by the Nevada State Legislature, to convene the legislature at any time, and, except in cases of treason or impeachment, to grant pardons and reprieves (you can delay or cancel punishment).

ABOUT YOU

-  You are bold. You are not afraid to speak your mind or push your agendas.
-  You have great pride in Nevada, especially in Las Vegas as an entertainment capital of the world.
-  You cater to both tourism and the large retirement community in Nevada. You have close relationships with the casino owners and depend on them to use their connections in Washington, D.C.
-  You often talk about the celebrities and wealthy people you know, and are not afraid to stretch the truth to get what you want.
-  You have a gambler's instincts and tend to play for the large pot (take big risks). You are always looking for ways to expand business and revenue in the state and you are proud of bringing Tesla's battery factory to Nevada.
-  You are active in the community, being seen in a lot of places.

WHAT YOU DO

- ❖ You make decisions to expand Nevada into a greater entertainment and business destination.
- ❖ In these Southwest State Coalition meetings, you have teamed with Arizona to make the Bubble Plan happen for both states. If the Arizona Governor makes progress getting their Bubble Plan approved for Major League Baseball (MLB), you will ride their coattails to secure your National Football League (NFL) deal.

GOALS

Your goal is to gain approval from the Coalition to move forward into Phase II of reopening, as well as move forward with the Bubble Plan for the NFL. You feel that achieving these goals will benefit both your state of Nevada and the nation as a whole.

OTHER CHARACTERS

ARIZONA GOVERNOR

You like the **Arizona Governor**. You work well with them and are able to see and work toward the same goals.

CALIFORNIA GOVERNOR

You like the **California Governor**, but you feel they have too much power and stand in your way of meeting Nevada's goal to get the economy going again.

NEW MEXICO GOVERNOR

You feel ambivalent about the **New Mexico Governor**; you think you two have very different needs and goals. You know the New Mexico Governor is smart and will continue to work with them, as long as they do not get in your way.

DEPUTY SECRETARY OF COMMERCE

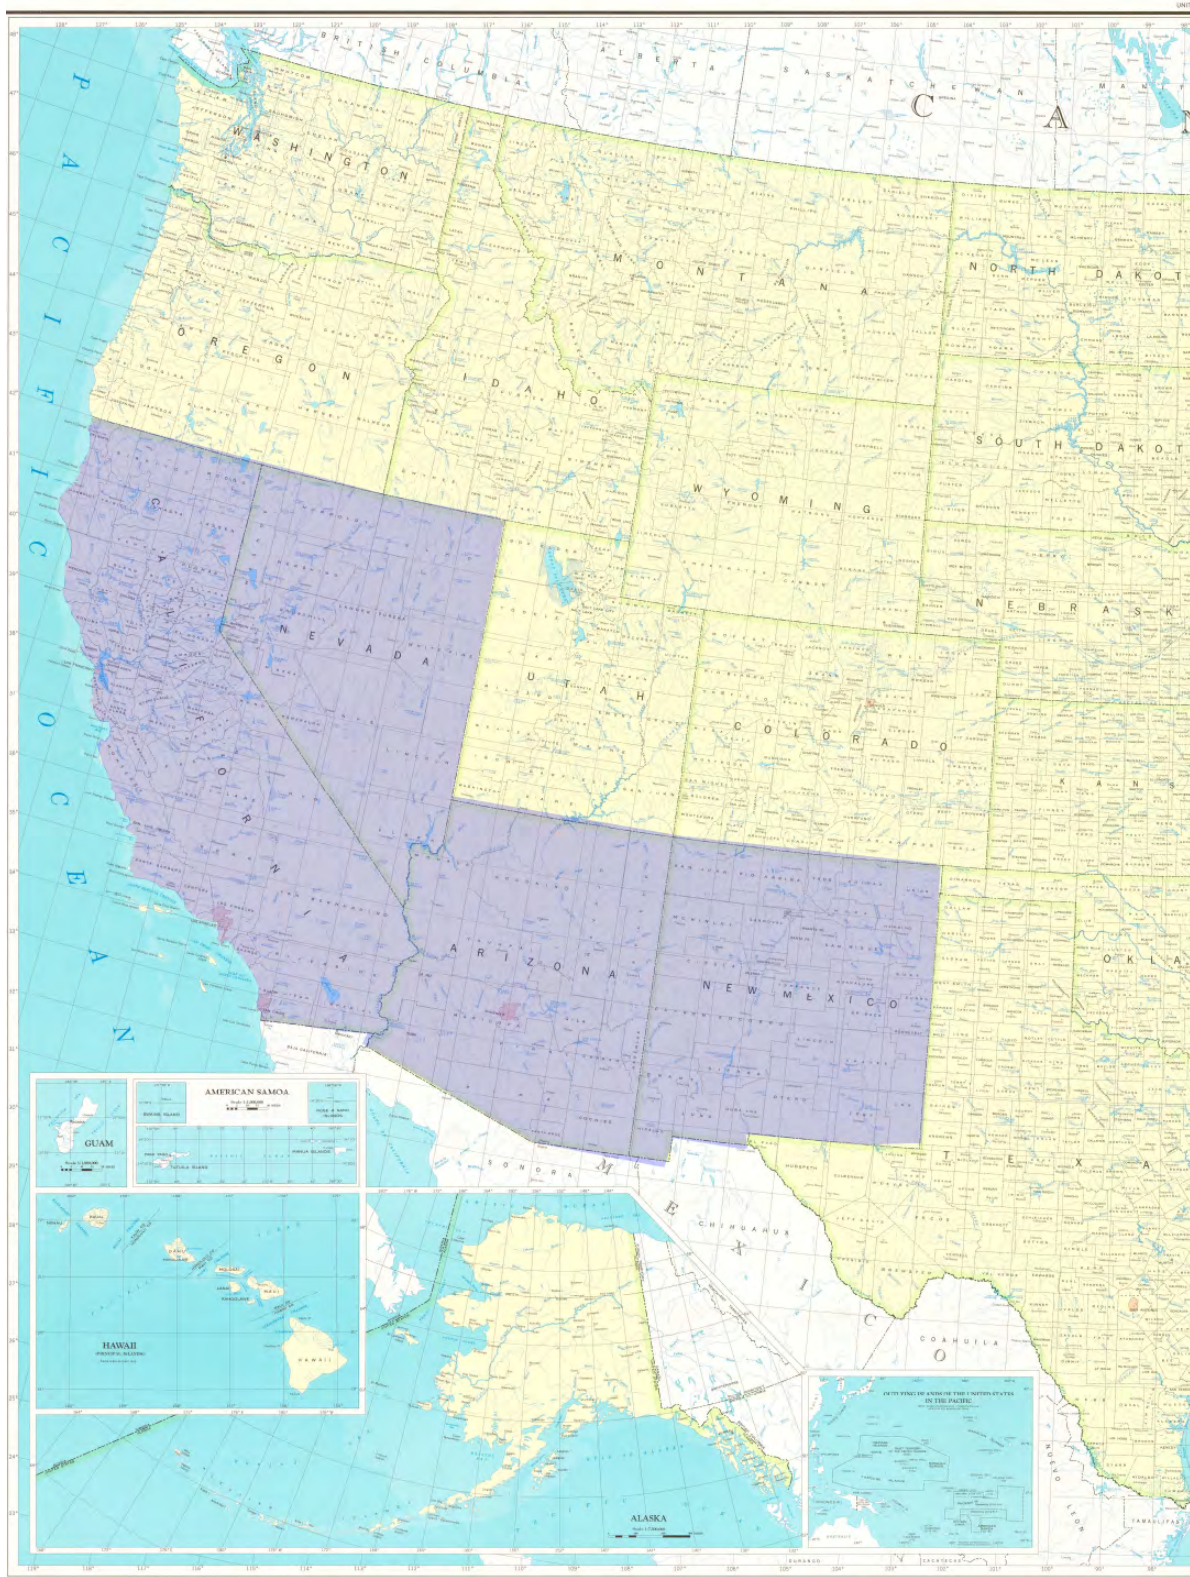

You speak the same language as the **Deputy Secretary of Commerce** and use their data to make your case to reopen Nevada's economy. You would not choose to hang out with them for fun (you're unlikely to invite them to a show at one of the casinos).

PRINCIPAL DEPUTY DIRECTOR, CDC

You want to make sure the CDC's goals don't interfere with your own. You don't hesitate to speak up when the **Principal Deputy Director's** suggestions go against the economic needs of Nevada.

SOUTHWEST STATES COALITION

This map is intended for educational purposes only.

REOPENING THE STATES GATING • PREPAREDNESS • PHASES

Prepared by The White House and the CDC

Proposed State or Regional Gating Criteria

(Satisfy Before Proceeding to Phased Opening)

SYMPTOMS

Downward trajectory of influenza-like illnesses (ILI) reported within a 14-day period

AND

Downward trajectory of COVID-like syndromic cases reported within a 14-day period

CASES

Downward trajectory of documented cases within a 14-day period

OR

Downward trajectory of positive tests as a percent of total tests within a 14-day period (flat or increasing volume of tests)

HOSPITALS

Treat all patients without crisis care

AND

Robust testing program in place for at-risk healthcare workers, including emerging antibody testing

*State and local officials may need to tailor the application of these criteria to local circumstances (e.g., metropolitan areas that have suffered severe COVID outbreaks, rural and suburban areas where outbreaks have not occurred or have been mild). Additionally, where appropriate, Governors should work on a regional basis to satisfy these criteria and to progress through the phases outlined below.

Guidelines for All Phases: Employers

Develop and implement appropriate policies, in accordance with Federal, State, and local regulations and guidance, and informed by industry best practices, regarding:

- ✓ Social distancing and protective equipment
- ✓ Temperature checks
- ✓ Testing, isolating, and contact tracing
- ✓ Sanitation
- ✓ Use and disinfection of common and high-traffic areas
- ✓ Business travel

Monitor workforce for indicative symptoms. Do not allow symptomatic people to physically return to work until cleared by a medical provider.

Develop and implement policies and procedures for workforce contact tracing following employee COVID+ test.

Core State Preparedness Responsibilities

TESTING & CONTACT TRACING

- ✓ Ability to quickly set up safe and efficient screening and testing sites for symptomatic individuals and trace contacts of COVID+ results
- ✓ Ability to test Syndromic/ILI-indicated persons for COVID and trace contacts of COVID+ results
- ✓ Ensure sentinel surveillance sites are screening for asymptomatic cases and contacts for COVID+ results are traced (sites operate at locations that serve older individuals, lower-income Americans, racial minorities, and Native Americans)

HEALTHCARE SYSTEM CAPACITY

- ✓ Ability to quickly and independently supply sufficient Personal Protective Equipment and critical medical equipment to handle dramatic surge in need
- ✓ Ability to surge ICU capacity

PLANS

- ✓ Protect the health and safety of workers in critical industries
- ✓ Protect the health and safety of those living and working in high-risk facilities (e.g., senior care facilities)
- ✓ Protect employees and users of mass transit
- ✓ Advise citizens regarding protocols for social distancing and face coverings
- ✓ Monitor conditions and immediately take steps to limit and mitigate any rebounds or outbreaks by restarting a phase or returning to an earlier phase, depending on severity

Phase One

SPECIFIC TYPES OF EMPLOYERS

SCHOOLS AND ORGANIZED YOUTH ACTIVITIES (e.g., daycare, camp) that are currently closed should remain closed.

VISITS TO SENIOR LIVING FACILITIES AND HOSPITALS should be prohibited. Those who do interact with residents and patients must adhere to strict protocols regarding hygiene.

LARGE VENUES (e.g., sit-down dining, movie theaters, sporting venues, places of worship) can operate under strict physical distancing protocols.

ELECTIVE SURGERIES can resume, as clinically appropriate, on an outpatient basis at facilities that adhere to CMS guidelines.

GYMS can open if they adhere to strict physical distancing and sanitation protocols.

BARS should remain closed.

EACH PHASE OF THIS GUIDANCE ADDRESSES THOSE ASPECTS OF DAILY LIFE FOR WHICH RESTRICTIONS REMAIN APPROPRIATE DUE TO COVID.

Phase Two

SPECIFIC TYPES OF EMPLOYERS

SCHOOLS AND ORGANIZED YOUTH ACTIVITIES (e.g., daycare, camp) can reopen.

VISITS TO SENIOR CARE FACILITIES AND HOSPITALS should be prohibited. Those who do interact with residents and patients must adhere to strict protocols regarding hygiene.

LARGE VENUES (e.g., sit-down dining, movie theaters, sporting venues, places of worship) can operate under moderate physical distancing protocols.

ELECTIVE SURGERIES can resume, as clinically appropriate, on an outpatient and in-patient basis at facilities that adhere to CMS guidelines.

GYMS can remain open if they adhere to strict physical distancing and sanitation protocols.

BARS may operate with diminished standing-room occupancy, where applicable and appropriate.

EACH PHASE OF THIS GUIDANCE ADDRESSES THOSE ASPECTS OF DAILY LIFE FOR WHICH RESTRICTIONS REMAIN APPROPRIATE DUE TO COVID.

ROLE REFLECTION EXERCISE

ITHRIVE SIM: LIVES IN BALANCE

ithrive
SIM

PART ONE: Read about your character, then answer the following questions:

- (1) What role will you be playing?
- (2) Based on what you know about the scenario and the role, what are you most curious about?
- (3) What is one main goal your character is trying to achieve?
- (4) Based on the description, what's one thing about your character you relate to? Explain.
- (5) Based on the description, what's one thing about your character you DON'T relate to? Explain.

PART TWO: Discuss your responses with one or more members of your role-play team. Your role-play team also may choose to warm up for the simulation by introducing yourselves in character.

Complete this exercise using the Google Docs document [here](#).

BASIC TROUBLESHOOTING GUIDE FOR VIDEO CONFERENCING SOFTWARE

ITHRIVE SIM: LIVES IN BALANCE

iThrive Sim is designed to be accessible to participants in any location. All you need is WiFi access and a device, such as a laptop or Chromebook.

For students learning virtually, the social interactions in *iThrive Sim* will require using an additional video conferencing software tool, such as Zoom, Google Meet, Microsoft Teams, etc.

ACROSS VIDEO CONFERENCING PLATFORMS, HERE'S WHAT TO DO IF:

YOU ARE USING A BROWSER FOR VIDEO CONFERENCING:

You will need two (2) browsers open; one for the *iThrive Sim* website and one for the video conferencing site.

Arrange the browsers side-by-side so that they are both visible. To do this, you may need to minimize both windows so that you are able to adjust the size and arrangement of both to be visible (for example, neither browser should be in full-screen mode).

NO ONE CAN HEAR YOU:

Call into the meeting using the phone number listed on the video conferencing invitation you received.

Mute your computer mic and use your phone to communicate.

YOU CAN'T SEE THE VIDEOS IN THE ITHRIVE SIM PLATFORM:

Post a note in the chatbox to let the facilitator know. The facilitator can play the videos over the video conferencing software instead.

YOUR CAMERA FEATURE ISN'T WORKING:

As long as you can hear and be heard by the other participants, you will be able to play *iThrive Sim*.

MORE RESOURCES

Below, you'll find links to help guides for relevant questions on commonly used video conferencing platforms. If there are other platforms you need information about, search for help guides online or feel free to reach out to us at least one week prior to running your simulation at support@ithrivegames.org.
